### **Report**

The meeting was called by the chairman of gender sensitization cell for the constitution of gender sensitization cell in college campus. The gender sensitization cell plays a vital role in maintaining a positive harassment free and respectful campus environment. The meeting also addressed that if any case of activity which led to gender harassment, should be immediately reported to the Gender sensitization cell and head of institution.

The chairman of gender sensitization committee has been reconstituted and the chairman, teaching and non-teaching members has been replaced. All teaching and non-teaching staff were requested to promptly report any such incidents occurring in the campus or hostels to a committee member, the Chairperson, or the principal. The members of the committee were also made aware of their duties and responsibilities in ensuring a safe and respectful environment. Furthermore, the report presented by the committee confirmed that no cases of gender harassment have been reported so far.
